CAPITAL CAMPAIGN

Building a Better Future for Rescue

BUILDING HOPE

Friends for Life Animal Rescue began in 1993 as Citizens for Tempe Strays. In 1996 we became Friends for Life, serving the area's animal population from our small, outdated buildings – buildings that were originally homes. In 2013 we bought out the leases and became owners of our current buildings.

Since 1996, we have rescued and adopted over 10,000 animals. However, our current site typically only holds 18 dogs and 25 cats, but so many more animals need our help. A new, larger facility will allow us to more effectively offer quality care to more unwanted, abandoned, and neglected animals in our community and get them one step closer to a forever loving home.

WE CAN'T DO IT ALONE!

The only way we can continue to save so many dogs and cats is through the generous support of people like you! Our goal is to raise \$1.3M to build a facility that will address our needs for today and for many years to come. We need your donations to help us do our part to stem the epidemic of neglected, abused and abandoned animals in our community. Your tax-deductible donation will go directly to our facilities fund to help animals in need.

FACILITY

The proposed new facility will:

- Provide separate areas for adoptable, new stray intakes, and quarantined animals
- Provide dedicated "meet and greet" areas for prospective adoptive families
- Have areas to house 25 dogs and 30 cats, in a much more efficient space
- Include a lobby, reception, storage, and grooming areas, a clinic room, animal adoption rooms and an education / training room to help provide the best amenities for our animals, adoptive families and volunteers
- Nurture enjoyment for our animals by offering special kitty enrichment areas, an outdoor dog play area and "chill out" spaces for our dogs and cats

We are excited and motivated to positively impact as many animals lives as possible and our new facility will help make that a reality. There are many ways for you to help, from monetary donations and gifts of materials to donating your skills. Contact us to see what you can do to help us reach our goal.

*Please help us reach
our goal of \$1.3M!*

OUR MISSION

To significantly impact animal overpopulation through aggressive programs focusing on rescue, spay/neuter, adoptions and education.

OUR VISION

Friends for Life Animal Rescue will continue to be an integral part of meeting the needs of the stray dogs and cats in our community. We will continue to take in stray and abandoned animals (as space permits), find new homes for the animals in our care, and continue to educate the public about the critical need to control animal overpopulation through spay/neuter.

CAMPAIGN TIME FRAME

Planning and gift solicitation: Now through July 2017 | Construction: March – August 2017

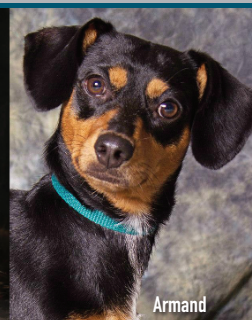

Below are a few of the animals we have recently helped.
